

First individual tap price increase in ten years!

As you know, costs have significantly increased in the last ten years. Steel alone has risen dramatically. New prices will be effective 11/1/10. You can still purchase taps at the great current prices through October of this year.

New Prices 11/1/10

Buck Taps®

Regular Taps

1 - 9 Sets

\$13.50 each set

\$11.00 each set

10-35 Sets

\$12.30 each set

\$10.00 each set

This price increase affects individual and team pricing. Dealer contract pricing (beginning with 3 dozen or more sets of taps per year) will remain in effect until 2/1/2011.

We thank you for your ongoing loyalty and look forward to continuing to serve you with our excellent products.
